# SOMMELIER'S SELECTION

## Rockford Black Shiraz

NV SA \$175

A unique wine style to Australia that, for me, represents the skill and imagination of our winemakers. This is a blend of the basket press shiraz vintages converted into a marvellously generous opulent **sparkling** red. This wine has fantastic mouth feel mousse with lush, rich, ripe, gripping fruit. Not a drink for the faint hearted sparkly drinker.

## Xanadu Margaret River Chardonnay

2017 WA \$54

Pale straw, the bouquet of this elegant yet powerful Chardonnay offers fresh pears, nectarine, and citrus fruits with underlying hints of nougat, beeswax and a fragrant floral lift. The palate is medium bodied and tightly coiled, displaying pears, white fleshed stone fruits and tangy lemony/grapefruit flavours. The wine offers a fine boned structure complimented by a lovely yoghurt texture derived from lees stirring. Taut, yet opulent, the intense fruit and bright acidity combine to focus the wine perfectly to a crisp, lingering fruit finish.

## Moss Wood Ribbon Vale Vineyard Margaret River Cabernet Sauvignon

2015 WA \$99

This wine shows the style of the vintage and quite likely the impact of the small crop. In such years, Cabernet Sauvignon in particular, has a complex but somewhat subdued nose, where the wine hints of the underlying power and complexity but takes years to reveal its true colours. So here we see smouldering red currant, black currant and mulberry, with a floral, violet lift, sitting over cedar and tar. On the palate there is concentration and length - dark fruits combining with firm tannin and leather and tarry notes.

Acknowledgement to Vintage Cellars

## Serafino McLaren Vale Shiraz

2012 SA \$68

Without a doubt the best value-for-money Shiraz on our list. This wine shows classic McLaren Vale characteristics of luscious fruit with cherry ripe flavours. It has great structure and balance that makes this wine drink well now, but also has the potential for cellaring. This wine goes well with our Wagyu beef for a night of true decadence.

2000 \$85

## Chateau Reynella Vintage Port

1976 SA \$180

The forgotten port, vintage, that is, as opposed to tawny. This wine is delicious drinking with its lovely cream texture of rich, ripe, plummy fruit with all the benefit of oak interaction and bottle age. Beautiful with cheese, in particular brie, and creamy cheeses, even blue brie styles. A great finale to a meal with an aftertaste that will linger all of the way home.

## SOMMELIER'S GUIDE

- ! Drinking very well now
- ✓ Drinking well now, but will improve with age
- Can be consumed now, but will improve greatly with age

There is no such thing as a bad vintage, just better times to drink them

# SOMMELIER'S CONNOISSEUR SELECTION

## **McWilliams Mt Pleasant Lovedale Lower Hunter**

### **Semillon**

1996 NSW \$155

One of the most remarkable Semillons ever made in Australia. The bouquet and palate described by James Halliday as “an almost impossibly complex bouquet with toast, lemon zest, grilled nuts and a tinge of honey. The palate is long, harmonious, bone-dry with nutty, tangy flavours, and perfect balance; exceptionally complex, yet almost feather light.”

## **Bodegas Vega Sicilia Unico Tinto Fino Cabernet Merlot**

### **Malbec Albillo**

1970 SPAIN \$2000

Certainly Spain's greatest wine. Along with Château Pétrus, Penfolds Grange, and Romanée-Conti this ranks with the world's best. Even at thirty years of age this blend has generosity and complexity to only be marveled at. It will continue to age for many more decades. This wine is unique and idiosyncratic. It has been described as truly remarkable. It drinks exceptionally well now and one can only marvel for its future.

## **Orlando Jacaranda Ridge Coonawarra Cabernet**

### **Sauvignon**

1992 SA \$200

Allow this wine to breathe in the glass and you will be rewarded with a luxurious wine that is multi-layered. It has a complexity showing spice, blackberry, fine grain tannins, an earthy pungency and a depth of flavour that few wines are able to exhibit. This wine drinks very well at the moment, and, I believe, represents excellent value-for-money in comparison with many younger wines that are not in the least bit approachable in their development.

## **Penfolds Bin 90A Coonawarra Cabernet Barossa**

### **Shiraz**

1990 SA \$1050

A vintage year has produced a wine that stands in the shadow of Grange, but make no mistake many aficionados see it as Grange's equal. Immensely concentrated in every aspect. Totally mouth filling with powerful rich ripe fruit, spicy oak, fine tannins and balanced acid. A wine that could be consumed now, but would benefit from cellaring remarkably.

## **Koehler-Ruprecht Kallstadter Saumagen Riesling**

### **Beerenauslese (375 ml)**

1997 GERMANY \$175

A very limited botrytised dessert wine that will delight the palate with its opulent mouth filling flavours. There is peach, tropical fruits, rockmelon and hints of mint. This wine structure is impeccable and drinks well now, but like its aftertaste will linger seemingly ad infinitum.

**“You take your glass in the hollow of your hand, you warm it, you rotate it with a circular movement so that the spirit gives off it’s aroma. Then you carry it to your nostrils and inhale... and then, my FRIENDS, you put down your glass and talk about it.”** Abbé Talleyrand
